**Section 15-106. Gender Neutral Language --**

Every word in this charter shall extend to and be applied to both genders when it is clear that the charter is not applicable only to members of one sex. In preparing any amendment, supplement, or replacement edition of this charter, the corporation counsel or a duly authorized revisor of charter may add, delete, or substitute words and phrases as appropriate to change any term which refers to the male or female gender to a term which is neutral in gender as long as the meaning or effect of this charter is not changed.
